

QUALITY POLICY STATEMENT

DOCUMENT NO: QMS-QF-500-001

JEF TECH Limited (JTL) provides high quality services in Marine Riser Inspection, General NDT Inspection & Corrosion Control, Instrumentation & Calibration, Bottom Hole Assembly Inspection, Pipeline and Tubular Inspection, Hydrostatic Pressure Testing, Fabric Maintenance (Blasting & Painting), Welding and Fabrication.

We are committed to providing reliable, innovative, and efficient solutions that consistently meet and exceed customer expectations through competent personnel, effective processes, and continual improvement of our Quality Management System (QMS).

Aligned with our strategic business direction and the context of our organization, JTL adopts a risk-based approach to ensure compliance with applicable statutory, regulatory, and customer requirements, and to continually improve our QMS in accordance with ISO 9001:2015.

This Quality Policy provides a framework for establishing and reviewing measurable quality objectives across all levels of the organization. It shall be communicated, understood, and applied within the organization and made available to relevant interested parties as appropriate.

We shall review this policy periodically to ensure its continuing suitability, adequacy, and effectiveness, with the aim to:

- Consistently meet and exceed customer expectations,
- Increase customers' and stakeholders' confidence,
- Improve our competitive position, and
- Strengthen employees' commitment to quality at all levels.

JEF TECH Limited (JTL) is committed to providing all necessary resources to achieve its Quality Objectives.

Signed

Engr. Jerome Femi Ogunjobi
Managing Director
